The tasks and responsibilities of Eclipse Dental Engineering

- ▶ Assisting in design of the new department
- ▶ Surgery design and planning
- ▶ Construction and services liaison
- ▶ Relocation of dental chairs from the old department
- ▶ Supply & installation of X-ray's, Suction System & Air Compressor

The tasks and responsibilities of Eclipse Dental Engineering

- ▶ Croydon University Hospital has been a long standing customer of Eclipse Dental
- ▶ We have serviced and maintained the dental equipment for over 2 years
- ▶ Eclipse Dental was very pleased to be chosen as the fit-out and equipment supplier for this project

Original surgery with chair and
over-patient delivery system

GDP constructed a raised floor allowing services to be brought up to the chair.

A mock-up of the cabinetry was created with plywood and chair placement marked out

Installation of cabinetry and solid surface work tops

The dental chairs and delivery units were relocated from the old surgeries

The relocation was completed in one week to minimise down-time

New Central Suction Pump and Air Compressor
