CASE STUDY

Castle Street Dental Practice

Let's take a look at how this Canterbury practice upgraded

Design Brief: Dr Laurence Green from Castle Street Dental, Canterbury was looking to create a stunning new surgery with quality high specification equipment.

Eclipse Solution: Dr Green and his practice manager visited the Eclipse showroom in Dartford to make equipment and design choices for the new surgery. By visiting the showroom they were able to view and examine the quality of the various options of treatment centres, cabinetry and equipment available.

Features:

- Heka Unic Treatment Centre
- Valo High Power Curing Light
- Satelec Sopro Life Intra-Oral Camera
- Automatic Instrument Flushing System
- Automatic Suction Line Cleaning System
- Super Soft Upholstery in Anthracite
- Neovo X-15 Monitor
- Zenium Axeon Luminaire 'L-Kit'
- Cabinetry with Solid Corian Top and Frontals

“ The team did well! We didn't give them much time to prepare but they did a great job, extremely pleased.”

Dr Laurence Green, BDS (Birm)

Heka UNIC chair promotion

Heka are Europe's most premium quality chair, they have given dentists the choice of durable aluminium casting plus the flexibility to create the perfect chair.
