

## Fit-out Equipment Service

### VISIT OUR SHOWROOM

Eclipse Dental is strategically located in Dartford with its excellent road connections to London and the Home Counties via the M25, M20, M2 and A2 and we are only 15 miles from the City of London.

If you would like to visit our showroom, we would be delighted to see you. Just give us a call to arrange a time and ensure one of our consultants is available to welcome you and discuss your requirements.

### BY CAR...

**M25 clockwise:** Leave the M25 (A282) at Junction 1b.  
**M25 anti-clockwise:** Leave the M25 at Junction 2.

Take Princes Road A225 towards Dartford. At roundabout, take the 3rd exit and continue on A296 Park Road. Turn left on to A226 East Hill and proceed downhill towards the town centre. Turn right and stay on A226 Home Gardens. Cross over traffic lights with Hythe Street and turn left into Kent Road (one way traffic only). Look for Kwik Fit then turn left through our gate opposite. We have plenty of off-road parking available in Westview Court.

### BY RAIL...

Dartford Station is a very short walk away, or you can give us a call and we will come and fetch you by car. After exiting the station building, head west along the station approach road – with the railway on your right. The road bends round to the left, going downhill and becomes pedestrian only. Turn right and walk down the steps to Hythe Street. Cross Hythe Street at the pedestrian crossing, then turn left towards the traffic lights and then turn right and continue along Westgate Road A226. After about 100 yards you will reach Kent Road on the left. Westview Court is the second gate on the left after 100 yards. Look out for Kwik Fit on the corner. Our entrance is opposite the Kwik Fit entrance.
