Senoplast high gloss boards give you a smooth, durable surface with strong scratch protection and a hard lacquer coating that resists bacteria, UV and chemical damage.

They offer a premium finish that stays looking sharp in busy clinical spaces.

✓ Scour resistant

✓ UV resistant

Full Supply & Installation Service

Senoplast Super Matt brings a deep matt effect that reduces reflection by about 80 percent, giving every panel a sleek, elegant tone.

It's a durable, contemporary choice for clinical cabinetry where you want a softer, more refined look.
